Yankee fans in the MLBlogosphere definitely don't want to miss the opportunity to interact with Jim Leyritz,nba jersey, now that he and Vinny Micucci have started their Baseball Today blog. It was 10 years ago this year that "The King" hit the last homer ever at Atlanta's Fulton County Stadium, turning around the 1996 World Series and sending the Bombers on their way to a nice decade.

The first one for 2006: Carl (the Cabbie) Shimkin,hockey jersey template, who posts the Inside Pitch blog here. You can hear him live on MLB Radio at 10:20 p.m. ET on Friday. Will he be making that appearance while driving his New York City taxi? When does he have time to go to a Mets game and come back and blog here? Can't wait to hear the interview.

Don?j¥t get me wrong; I?j¥m very happy that C.C. Sabathia is pitching for us, and not on the Red Sox staff. But how he performs,mlb all star jersey, at least to me,Nike Saints Jerseys,nfl jersey sales, is not nearly as important as how the Phillip Hugheses and Joba Chamberlains of the team do this year. Because that is where the next great Yankee dynasty will come from.

Simply stated, I don?j¥t believe in the C.C. Sabathias of the world; I believe in the Phillip Hugheses. Which is to say, I don?j¥t believe in acquiring big name pitchers for inflated contracts who may have already pitched their best days with another team. I believe in young, unknown arms.

Last Saturday we travelled down to Bradenton, Florida to watch the Yankees take on the Pittsburgh Pirates at the Pirates' spring training facility. It was really freaking hot, discount mlb jerseys, and our seats turned out to be on bleachers (without seatbacks) down the first base line, though we promptly moved down to field-level seats (with seatbacks), nfl kids jersey, though even these seats were still directly in the sun, and so we fried for three hours. The Yankees' starting pitcher was Phillip Hughes, who began the game by letting up a towering homerun to right field. And then another one. But then he settled in, more or less, finishing three innings without giving up any more runs.

In other MLBlogs news:

That having been said, it's a good time for me to introduce to our loyal blog reader(s) my philosophy of Baseball (and therefore, reebok nfl jerseys, wholesale baseball jersey, of Life) specifically, how to build a winning baseball club/dynasty.

Which brings me to my second point: that hired guns generally do more harm to team chemistry than good. And the problem only gets worse the more you do it. Instead of a team, football jerseys cheap, what you get is a collection of individuals, and a ball club with a median age above 30. E.g., NY Yankees 2001-2008. In fact, the only team of hired guns to win a World Series that I can think

of is the 1993 Toronto Blue Jays (who, custom jersey, admittedly, did kick a lot of ass). But generally speaking, great teams begin in the farm system.

Amazing that Brooks Robinson's MLBlog isn't flooded with comments. Hey, baseball fans — that's a chance to ask one of the greatest players in history anything you want! Let us know if we're missing something, but that seems like a golden (glove) opportunity. Had the pleasure of spending time with the "Human Vacuum Cleaner" during an offseason Legends Dinner in Midtown Manhattan, Capitals Hockey Jerseys, and he talked a lot about how much he enjoys having his own MLBlog and hearing from fans. Comment about anything as Brooksie typically blogs about the comments themselves whereas most bloggers are using MLBlogs as a chronicle for their ongoing thoughts.

New Major League Baseball Blog Reader?, we highly recommend that you subscribe to our exclusive Major League Blogging RSS feed. Make sure to come back daily for fresh content.

The overall goal behind MLBlogs is to build an ultimate baseball blogging community that truly reflects the ballpark experience itself. Players, managers, umps (we'll find 'em), fans, club executives, broadcasters, writers, baseball book authors, groundskeepers, mascots . . . and one look at the latest MLBlogs Active Roster and you can see a growing representation along those lines. But sometimes you just aren't prepared for what it can be like around MLBlogs. One minute we are reading Cantu's new post, then MC Hammer starts up a baseball blog, customized football jerseys, nfl jersey shirts, then Raymond the Devil Rays mascot checks in. It's just a crazy mix, but that's life out at the ballpark.

In fact, there's no substitute, in my view, for a good homegrown, basketball reversible jerseys, young ball club pitcher and non-pitchers alike. Sure, you want to anchor a team with some veterans who will lead the young guys by example including a crafty veteran pitcher or two who will keep the team competitive while the younger guys are coming into their own. But the older guys, infant football jersey, as well as the guys who are in their prime, should make up less than 50% of your team, or you'll have problems like the Yankees, and teams like them, customize nike football jersey, baseball jersey sizes, nfl jerseys cheap, have had over the last ten years (as they did in the 1980s).

I support this view in two ways. First, I notice that, almost every year, the hot team in baseball is not the team with all the hired guns, baseball jerseys, but rather the team with players that none of us have heard of yet. This is because Baseball is not about how many big guns you have on your team, but is really about how well the players play together as a team. Consequently, chemistry is everything. Some recent examples include: the 2005 Chicago White Sox, 2006 Detroit Tigers, 2003 Florida Marlins, 2008 Tampa Bay Rays, team basketball jersey, etc. Indeed, last year's championship Philadelphia Phillies consisted of stars including Cole Hamels, Ryan Howard, Chase Utley, Jimmy Rollins including all of whom were homegrown players who started and developed together as a team.

While I am no pitching coach, Phillip Hughes still does not look ready yet. This is not such disappointing news as it might be including for the short-term, michigan football jersey, anyway including in light of the acquisitions of C.C. Sabathia and A.J. Burnett, and the re-signing of A.E. Pettitte. The 2009 Yankees already have a formidable starting 5, regardless of whether Phillip Hughes finally has his breakout year or not.

I remember another team that did this: the 1996-1999 New York Yankees. While the 1998 Yankees, for instance, ohio state basketball jersey, consisted of a great balance of battle-hardened veterans and key trades (Pail O'Neill, nike nfl jerseys leaked, Chuck Knoblauch, florida state football jersey, Scott Brosius, new nike nfl, David Cone), the nucleus of that great dynasty was the awesome young, previously-unknown, homegrown talent (Derek Jeter, Andy Pettitte, Mariano

Rivera, Jorge Posada, and Bernie Williams). The problem came when the aforementioned veterans got old and retired. But instead of waiting a few years to build another dynasty around the Jeter-Rivera nucleus, retro basketball jerseys, the Yankees' ownership instead opted for quick-fixes by buying every hired gun that came available in an expensive effort to plug holes in a ship that nevertheless continued to sink.

Austin would have cost Dallas \$9.5 million if tagged. Instead, kids hockey jerseys, he'll be tendered as a restricted free agent, france football jersey, which carries a price of \$3.168 million. Other teams could still sign Austin, red sox jersey, Capitals Jerseys, but they'd have to fork over a first- and third-round pick.

The Colts, however, sport jerseys, new football jerseys, have a habit of not retaining free agent linebackers (under Bill Polian, personalized nfl jerseys, they've said goodbye to Marcus Washington, nike nfl jerseys 2011, baseball jerseys, Mike Peterson, retro basketball jerseys, Cato June and David Thornton, baylor basketball jersey, wholesale nfl jerseys, all of whom were in their prime when they left).

The market for nose tackles became officially barren this week after the Packers and the Patriots applied franchise tags to Ryan Pickett and Vince Wilfork. The two could still receive long-term deals with their clubs, penn state football jersey, but at the very least, baseball jersey design, they'll play under a lucrative one-year contract in 2010. Veteran NT Casey Hampton was also kept off the market; the Steelers agreed to a three-year deal with their nine-year star. The move guaranteed Hampton \$11 million and allowed Pittsburgh to use its franchise tag on kicker Jeff Reed.

Also franchised was Raiders defensive lineman Richard Seymour.

Explaining the first practice report of Super Bowl XLV bye week:

Pittsburgh Steelers: Center Maurkice Pouncey (left ankle) has the most significant injury among the six players who sat out Wednesday's practice. Doug Legursky replaced him Wednesday and would start for him if necessary. AFC North colleague James Walker broke down the injury and Pouncey's chances of playing earlier Wednesday. Also sidelined were safety Will Allen (knee), nfl jersey, cornerback Bryant McFadden (abdomen), nfl wholesale jersey, safety Troy Polamalu (Achilles), champion nba jerseys, football equipment, receiver Emmanuel Sanders (foot) and tackle Jonathan Scott (ribs). Defensive end Aaron Smith, basketball team jerseys, who is hoping to make it back from a triceps injury, navy football jersey, participated on a limited basis.

Green Bay Packers: As we noted earlier this week, football jerseys for sale, the Packers won't practice until Friday. But the NFL still required a practice report Wednesday for injury updating purposes. Had they practiced Wednesday, nike nfl combat jerseys, linebackers Erik Walden (ankle) and Frank Zombo (knee) would not have participated. Linebacker Desmond Bishop (ankle), nba

Meanwhile, youth nba jerseys, quarterback Aaron Rodgers said Wednesday he did not suffer a concussion in Sunday's NFC Championship Game, authentic nhl jerseys cheap, as has been speculated. He was not listed on the Packers' practice report.

Notable players who did not receive franchise tags include Colts linebacker Gary Brackett, make your own nfl jersey, Saints safety Darren Sharper and Cowboys receiver Miles Austin.
