## Adidas Skateboarding Ronan Navarro new tennis shoes net - Information NetworkNike, Zoom, Lebron, V-News Reports Release

Adidas Skateboarding launched a classic low top Ronan style shoes, and the Raul Navarro launched a new skateboarder named design. Neat white color, suede as the base material, details of the design features include shoe design to improve the air permeability and durability, leather three line Logo as a classic decoration, heel three logo, large comfortable bottom glue collocation, metal stamping NAVARRO words, and the tongue of the Spanish cartoon pattern. Priced at \$\$75 USD, it is now available at the store and at the Premier online store.

the United States is preparing for the Olympic Games, which only 10 days less than, NIKE also eager to launch its signature star style

Nike Zoom Lebron VI details that were exposed a few months ago are less detailed, and now it looks like shoes have changed completely,

this will be Nike Zoom Lebron VI instead of wondering: Zoom, Soldier, III, mixed and synthetic leather material, big NIKE LOGO side, side highlight LBJ unique LOGO, air cushion configuration: full-length, Zoom, Air

comment: now NIKE on its two players: KOBE, LBJ has launched the latest generation of boots, perhaps because of the summer Olympic Games because both the KOBE's new signature style or the latest LBJ signature models, NIKE took what is it about "low to help." but the latest style is just to meet the hot summer, for the players to get rid of the ankle shackles and increase the players preparations, but its players really love to help low style boots, or perhaps a question;
